

## LABORER

**Department:** Operations  
**Reports To:** Manufacturing Manager  
**FLSA Status:** Non-Exempt  
**Updated:** 08.15.2022

Aqueous Vets® (AV®) is seeking talented, capable applicants to fill several key roles for our growing organization.

AV is a vertically integrated company that manufactures water treatment systems to address contaminated groundwater impacted with emerging contaminants (PFOA/PFOS, VOC's, fuels, 1,2,3-TCP, TOC, Chrome 6, and Arsenic). Based in Redding, California, our capabilities include design and engineering, system manufacturing system installation, startup services, and site civil construction. **Our integrated system approach allows AV the ability to deliver the entire treatment system from the influent to effluent flanges on the treatment pad, creating more value for our clients and the end-user.**

### Description

The duties and responsibilities of a laborer are all geared toward maintaining a clean, safe, and efficient operations facility while also supporting the overall project. The list of duties and responsibilities for a laborer on any given day may include the following:

#### Essential Duties and Responsibilities:

- Cleaning and preparing facility
- Loading and unloading materials and equipment
- Building and taking down scaffolding and temporary structures
- Digging trenches, compacting earth, and backfilling holes
- Operating and tending machinery and heavy equipment
- Following instructions from supervisors and implementing operations plans
- Assisting skilled tradespeople in their duties

#### Education and/or Experience:

We are seeking a team player, who can grow with our company. Must have high school diploma; Technical school completion or equivalent is desirable. Prefer a minimum of 2 years of experience in an operations environment. Must pass pre-employment physical and background check and be legally authorized to work in the United States of America.

## **Physical Demands:**

The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

While performing the duties of this job, the employee is occasionally required to perform light physical activity. The employee must occasionally lift and/or move up to 75 pounds. Specific vision abilities required by this job include close vision and depth perception.

## **Technical Skills**

- Deadline-oriented
- Working knowledge of personal computer, keyboard, and various software programs.
- Working knowledge of manufacturing processes.

## **OTHER SKILLS AND ABILITIES**

- Strong interpersonal skills.
- Good verbal and written skills.
- Proven organizational skills.
- Ability to prioritize and work with limited supervision.
- Ability to maintain confidentiality.
- Ability to work well under pressure and to remain flexible to changing schedules and demands.

## **Benefits**

Benefits include: Health, dental, and vision insurance for employee and family, Life Insurance, Disability Insurance, flexible spending account, and 401k plan

Aqueous Vets® is an equal opportunity employer. We commit to a policy of nondiscrimination and equal opportunity for all employees and qualified applicants without regard to race, color, religion, creed, gender, pregnancy or related medical conditions, age, national origin or ancestry, physical or mental disability, genetic predisposition, marital, civil union or partnership status, sexual orientation, gender identity, or any other consideration protected by federal, state or local laws.
